

# Town of Horicon Historical Society

September 20, 2024

Dear Horicon Historical Society Members,

The Town of Horicon is developing a Town Comprehensive Plan to update its 2010 Comprehensive Plan. This new Plan will define the community's vision for the future and provide a framework for future decision-making.

One step in developing this Comprehensive Plan is to conduct a Community Survey of Town residents, property owners and visitors to better understand their views, concerns and suggestions for the Town. The survey was started in late August and closes on October 20, 2024.

The Horicon Historical Society encourages all members to complete a Community Survey for input into this Comprehensive Plan. This is done most easily by linking to the Horicon Comprehensive Plan website (<https://sites.google.com/view/horiconcomprehensiveplan/home>) and filling out the survey form. On the website, scroll down and click the button "Click Here to Take the Community Survey!". When completed, hit the "Submit" button to send to the Lake Champlain-Lake George Regional Planning Board who is preparing the Comprehensive Plan for the Town. In place of submitting an on-line survey, hardcopy survey forms can be found in the Horicon Town Library and Horicon Town Hall.

Any questions or comments can be emailed to [HoriconCompPlan@lclgrpb.org](mailto:HoriconCompPlan@lclgrpb.org).

Thank you!

James Ventura
