

The Advisory Committee of the Community Fund for the Gore Mountain Region and the Board of Trustees of the Adirondack Community Foundation announced the awarding of a “Community Fund for the Gore Mtn. Region 2025” grant to the Town of Horicon Historical Society. The Historical Society applied for a grant to be used for increased visibility and vertical display of historical artifacts in the Brant Lake Museum and Adirondack Annex. A grant check will be mailed within the next few weeks. The Horicon Historical Society is most appreciative of the support provided by the Community Fund for the Gore Mountain Region for the Museums’ historical preservation initiatives. This grant money will enable the Society to better store and display the historical documents for viewing by Town residents and visitors.
